- Co-wrote a three-part Introduction to Screenwriting curriculum for writers ages 13 to 65.

Social Media Marketing Specialist | Making It With Terry Wollman

Jan 2024 – May 2024

- Collaborated cross-functionally with founders and a global marketing team on a full rebrand and content strategy for a 200+ episode podcast.
- Increased audience engagement by 75% through targeted content and posting-cadence changes.
- Coordinated content and scheduling using HubSpot, Sprout Social, Airtable, and Asana.

Paid Media Intern | The Abbi Agency

May 2024 – Aug 2024

- Built and QA'd media plans across paid social platforms and ad creative for multiple client accounts simultaneously.
- Used Google Analytics and Meta Ads to report on campaign performance and recommend optimizations during high-profile launches.

Co-Managing Editor / Member | Beyond Thought Journal

Sep 2023 – May 2025

- Reviewed and evaluated creative submissions each semester, applying consistent editorial standards under recurring deadlines.
- Organized 200+ documents into a new Google Drive system, improving team-wide accessibility.
- Coordinated journal production using Canva and proposed a new Discord management tool to improve team workflow.

Audio/Video Producer | CMRubinWorld

Apr 2023 – Feb 2024

- Edited full-length episodes of a climate-focused web series in DaVinci Resolve, trafficking multiple cuts from rough edit through final delivery on tight turnarounds.
- Coordinated with a fully remote production team across time zones; credited as Producer for contributions to the series.

Managing Editor | Birdseye Publication

Aug 2022 – May 2024

- Managed a team of 10+ writers and editors on Slack, assigning articles, holding deadlines, and running the final QA pass before publication.
- Oversaw the full publication process end to end, from assignment to timely, accurate release.

Film Development Specialist / Screenwriter | MeiYoNaise Productions

Sep 2022 – Aug 2023

- Translated concepts into clear creative direction for a script team, developing story bibles, scenes, pitch decks, and treatments using Final Draft and Celtx.
- Researched industry and market trends to help shape project proposals and selling points.
